

Overnight local closures of Columbia Street between McBride Boulevard and Elliot Street

April 10, 2026

Fraser Crossing Partners will begin overnight (9 p.m. – 5 a.m.) local closures of Columbia Street between McBride Boulevard and Elliot Street for approximately two weeks starting on Monday, April 13. These closures are required for work on the new Columbia Street multi-use path overpass over Columbia Street.

Drivers will be detoured to Royal Avenue or Front Street. The new Columbia Street on-ramp is under construction, and access to the stal'əwəsəm (Riverview) Bridge continues to be maintained via McBride Boulevard and the Royal Avenue on-ramp.

Columbia Street west of Elliot Street will remain open and **access to and from all businesses on Columbia Street and Front Street Mews will be maintained at all times**. All traffic pattern changes and detours will be well signed.

While these overnight closures are in effect, access for emergency responders will not be maintained. Commercial vehicles will be detoured to designated truck routes at all times.

Nearby residents will hear some noise associated with construction activities. While crews will try to complete noisy activities during the day, some of these activities will be completed at night.

What to Expect

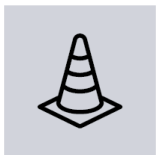

Timing

Starting at 9 p.m. on Monday, April 13 for approximately two weeks.

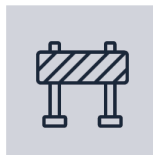

Hours of Work

9 p.m. to 5 a.m.

Traffic

Drivers will be detoured to Royal Avenue or Front Street. Columbia Street west of Elliot Street will remain open. Commercial vehicles will be detoured to designated truck routes at all times. All traffic pattern changes and detour routes will be well signed, and traffic control personnel will be on site to assist when required.

Impacts/Interruptions
