

Weekend daytime closures of Bridge Road for construction of new Highway 17 off-ramp

April 22, 2026

Starting on Friday, April 24, and continuing for approximately three days, daytime closures of Bridge Road are required for crews to transport girders for the construction of the new Highway 17 off-ramp.

While these closures are in effect, traffic will be detoured via 120 Street and Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive (see graphic on the right).

Access for emergency responders will not be maintained while closures are in effect. Detour routes will be clearly marked. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required.
