

# Overnight closures of Front Street

April 30, 2026

Starting Monday, May 4, for approximately one to two nights, overnight closures of Front Street will be required for Fraser Crossing Partners to complete electrical duct work across Front Street. These activities must be completed while there is no traffic underneath to ensure public safety.

**Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times.**

While Front Street is closed, trucks will be required to use official truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.) and regular traffic will be detoured to Columbia Street. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

## What to Expect
