

# Northbound weekend closure on the stal'əwasəm (Riverview) Bridge

May 19, 2026

Starting Friday, May 22 at 9 p.m. until Monday, May 25 at approximately 5 a.m., a closure of both northbound lanes is required on the stal'əwasəm Bridge for Fraser Crossing Partners to install a span of the multi-use path overpass superstructure adjacent to the Bridge Connector. Southbound traffic will be maintained.

stal'əwasəm Bridge users travelling northbound are encouraged to take the Port Mann or Alex Fraser bridges. Northbound N19 NightBus trips will be rerouted over the Queensborough and Alex Fraser bridges.

All traffic pattern changes will be well signed, and traffic control personnel will be on site to assist as required. Access for emergency responders will be maintained. Information will also be communicated via traffic media and posted on [DriveBC.ca](http://DriveBC.ca).

A weekend closure of the stal'əwasəm Bridge in both directions will also be required from May 29 until June 1, for crews to complete installation of the multi-use path overpass superstructure over the Bridge Connector and Royal Avenue on-ramp. More information will be provided in a separate notification.

## What to Expect

### Timing

Starting Friday, May 22 at 9 p.m. until Monday, May 25 at approximately 5 a.m.

### Hours of Work

Construction activities will take place 24 hours a day.

### Traffic

Northbound closure on stal'əwasəm Bridge. Bridge users can take the Port Mann or Alex Fraser bridges. Traffic control personnel will be on site to assist as required and traffic signage will be in place.

### Impacts/Interruptions

stal'əwasəm Bridge users may experience longer than normal travel times due to the directional closure.

Nearby residents will hear some noise associated with construction activities.
