

Daytime closures of Bridge Road for rebar installation and concrete pours on new Highway 17 off-ramp

June 8, 2026

Daytime closures of Bridge Road are required for crews to complete rebar installation and concrete deck pours on the new Highway 17 off-ramp on the following days:

- Thursday, June 11
- Friday, June 12
- Monday, June 15

While these closures are in effect, traffic will be detoured via 120 Street and Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive (see graphic on the top right).

Access for emergency responders will not be maintained while these closures are in effect. Detour routes will be clearly marked. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required. This work is weather dependent.
