

Temporary bus stop addition in Victoria Hill for Route #102 Westbound

July 15, 2026

Starting Monday, July 20, a temporary bus stop for Coast Mountain Bus Route #102 Westbound will be added on East Royal Avenue, east of Ross Drive (see map below for reference).

In response to feedback from transit users, this stop will provide an additional option for users travelling westbound during the temporary detour for this route, reducing the distance between bus stop locations.

The detour has been in place to support the [current restriction on East Royal Avenue into Victoria Hill](#), which is reducing traffic congestion in the Victoria Hill neighbourhood during project construction activities, preventing drivers from using East Royal Avenue to circle through the neighbourhood to access the stal'əwasəm (Riverview) Bridge.

A consistent 24/7 restriction into Victoria Hill helps drivers and transit users better navigate through traffic pattern changes and helps online navigation tools accurately reflect travel options.

This restriction, including the Route #102 detour and temporary bus stop, will be in place until the opening of the Columbia Street on-ramp later this summer. Opening dates will be informed in a separate notification.

What to Expect

Timing

Starting Monday, July 20 until late summer.

Hours of Work

[Route #102 Schedule](#)

Traffic

A temporary bus stop for Route #102 Westbound will be added on East Royal Avenue, east of Ross Drive. Bus route changes will be well signed.

Impacts/Interruptions

Approximately 3 parking spots in the area will be temporarily restricted for bus stop allocation.

We appreciate your patience while we complete this work. If you have any questions, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
