PATTULLO BRIDGE
REPLACEMENT

Traffic impacts due to paving works on East Columbia, intersection of McBride and East Columbia, and East Columbia off-ramp

July 17, 2026

Starting the night of Saturday, July 25 for approximately 5 nights, crews will complete milling and top lift paving works on Columbia Street between McBride Boulevard and Elliot Street and the intersection of McBride and East Columbia. For approximately three nights starting Monday, July 27 crews will complete milling and top lift paving works on the East Columbia off-ramp.

To complete this work, overnight closures from 9 p.m. to 5 a.m. are required:

- A local overnight closure of Columbia Street between McBride Boulevard and Elliot Street for approximately five nights starting Saturday, July 25
- A closure of the East Columbia off-ramp and a northbound directional closure of McBride Boulevard between Columbia Street and Royal Avenue for approximately three nights starting Monday, July 27

Access to Columbia Street west of Elliot Street will remain open and **access to and from all businesses on Columbia Street and Front Street Mews will be maintained at all times.**

Drivers travelling eastbound on Columbia Street will be detoured to Royal Avenue or Front Street via 6th Street. Drivers travelling westbound on Columbia Street will be detoured to Front Street or Royal Avenue.

Starting on Monday, July 27 for approximately 3 nights, drivers travelling westbound on Columbia Street will be detoured to Front Street, and drivers travelling northbound on the stal'əwasəm (Riverview) Bridge will be detoured to the Royal Avenue off-ramp onto McBride Boulevard to East Columbia Street (see maps below).

All traffic pattern changes and detours will be well signed.
