

Closure of Bridge Road for drainage installation on the underside of the stal'əwasəm (Riverview) Bridge

July 20, 2026

Starting on Saturday, July 25 at 6 a.m. until Sunday, July 26 at approximately 6 a.m., a closure of Bridge Road is required for crews to complete drainage installation on the underside of the stal'əwasəm Bridge.

While these closures are in effect, traffic will be detoured via 120 Street and Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive (see graphic on the right).

Access for emergency responders will not be maintained on Bridge Road while these closures are in effect. Detour routes will be clearly marked. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required.

What to Expect

Timing

Starting on Saturday, July 25 until Sunday, July 26.

This work is weather dependent.

Hours of Work

6 a.m. on July 25 until approximately 6 a.m. on July 26.

Traffic

Drivers will be detoured via 120 Street and Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive while these closures are in effect.

Impacts/Interruptions

Drivers may experience temporary delays resulting from the detour.

We appreciate your patience while this work is underway. If you have any questions, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149. For more information about the Project, please visit pattullobridgereplacement.ca.
