PATTULLO BRIDGE
REPLACEMENT

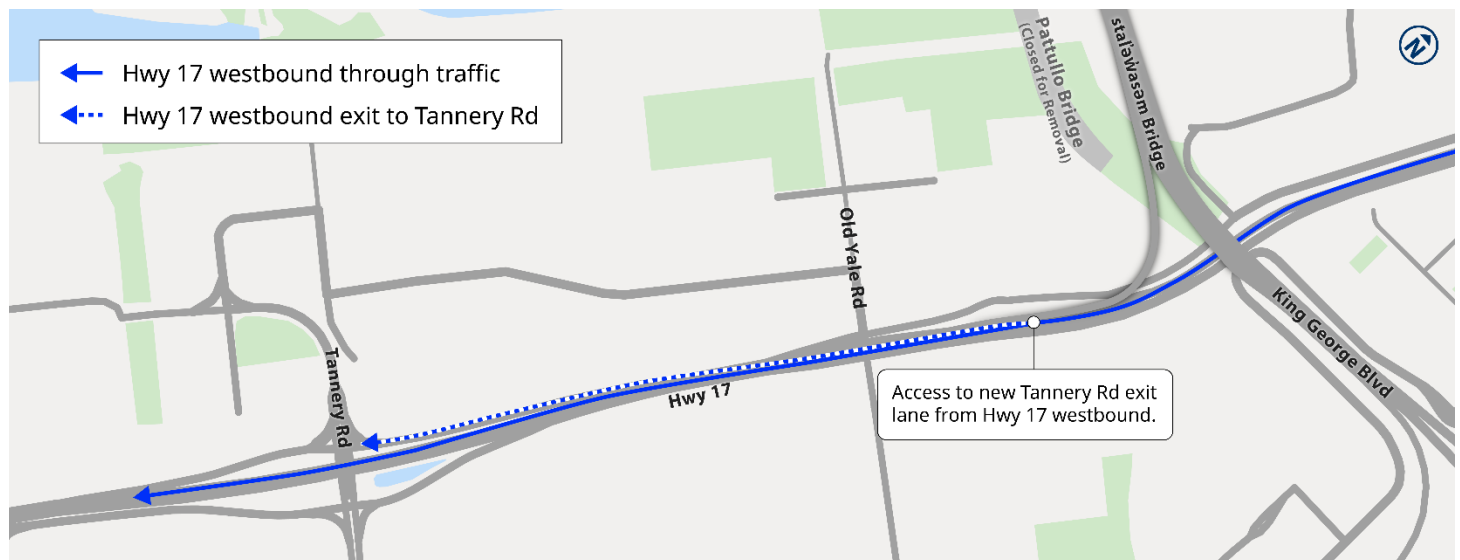

UPDATE: New exit lane on Highway 17 westbound to Tannery Road to open later this summer

July 24, 2026

The opening of the new Highway 17 westbound exit lane to Tannery Road, previously planned for July 20, has been rescheduled to open later this summer, following completion of the remaining paving works on Highway 17 between Bridgeview Drive and Tannery Road. An updated notification will be issued in advance to confirm the opening date.

When the new exit lane opens, drivers travelling to Tannery Road will access the new exit lane approximately 500 metres in advance of the current Tannery Road exit. All traffic pattern changes will be well signed.

This traffic pattern is part of the new configuration connecting the Highway 17 off-ramp from the stal'əwasəm (Riverview) Bridge and the off-ramp to Tannery Road to Highway 17 westbound (see map below for new exit lane reference).
