

UPDATE: Overnight closures of Bridge Connector and Royal Avenue on-ramp for construction of Agnes-Royal multi-use path overpass

August 6, 2026

Starting the week of August 10, crews will conduct overnight weather dependent concrete pours on the Agnes-Royal multi-use path overpass. Traffic will be maintained on the stal'əwasəm (Riverview) Bridge during this work, though some overnight closures of the Bridge Connector and Royal Avenue on-ramp are required.

Closure	Timing	Detour details
Overnight closures of Royal Avenue on-ramp See map #2 for reference	Thursday, August 13 at 9 p.m. to Friday, August 14 at approximately 5 a.m. Additional dates to be confirmed.	Drivers using the Royal Avenue on-ramp to the stal'əwasəm Bridge can take 6th Street to 6th Avenue, and McBride Boulevard to Bridge Connector. Access for emergency responders will not be maintained on the Royal Avenue on-ramp.
Overnight closure of Bridge Connector in both directions See map #1 for reference	Friday, August 14 at 10 p.m. to Saturday, August 15 at approximately 6 a.m.	Drivers travelling southbound on the stal'əwasəm Bridge can take the Royal Avenue on-ramp or 6th Avenue to 6th Street, to Royal Avenue. Trucks travelling southbound will not have access to the stal'əwasəm Bridge. stal'əwasəm Bridge users travelling northbound will be detoured to the East Columbia off-ramp. Northbound N19 NightBus trips will be rerouted via East Columbia Street. Access for emergency responders on Bridge Connector will not be maintained.

Map 1 - Overnight closure of Bridge Connector in both directions

Map 2 - Overnight closure of Royal Ave on-ramp

Some overnight intermittent single-lane closures on Bridge Connector will also be required throughout the week of August 10. One lane in each direction will be maintained.

All traffic pattern changes and detour routes will be well signed, and traffic control personnel will be on site to assist when required.

Additional updates to this work can be found on our [Current Works page](#).

Nearby residents will hear noise associated with construction activities.

Following completion of concrete pours over the Royal Avenue on-ramp and Bridge Connector, additional intermittent single-lane closures in each direction on Bridge Connector will be required for finishing works on the Agnes-Royal multi-use path overpass. One lane in each direction will be maintained. More information will be provided in future notifications.
