

Daytime closure of Bridge Road for construction equipment removal

August 10, 2026

On Wednesday, August 12 from 6 a.m. until approximately 2 p.m., a closure of Bridge Road is required for crews to remove construction equipment.

While this closure is in effect, traffic will be detoured via 120 Street and Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive (see graphic on the right).

Access for emergency responders will not be maintained on Bridge Road while this closure is in effect. Detour routes will be clearly marked. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required.
