PATTULLO BRIDGE
REPLACEMENT

Closure of temporary public parking lot at 12246 112A Avenue

August 13, 2026

As part of the Pattullo Bridge Replacement Project, a temporary public parking lot was established at 12246 112A Avenue in Surrey to provide short-term public parking and customer / employee access to local businesses on 112 Avenue while construction activities were underway in the area.

With construction nearly complete and street parking restored on 112 Avenue, the parking lot will be permanently closed starting **Friday, August 28, 2026 at approximately 5 a.m.** We ask that all vehicles be moved out of the parking lot before the closing time. After the lot is closed with a gate, owners of vehicles remaining in the parking lot will need to contact the Project to retrieve their vehicles.

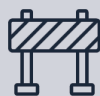

We appreciate the community's patience throughout construction.

What to Expect
