

Commercial Vehicle Detour

Front Street Truck Route closure

Starting August 31, the Front Street Truck Route will close for approximately four months for the construction of a retaining wall along Front Street.

While this closure is in effect, commercial vehicles will be detoured to the 24/7 alternate routes as shown below. Royal Avenue or Braid Street/E. 8th Avenue can be used during the day (7 a.m. to 9 p.m.). Columbia Street is not a truck route, and there will be police enforcement on Columbia Street during the Front Street closure.

All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

Additional information can be found on the Current Works page at pattullobridgereplacement.ca.

If you have questions or need assistance, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149.
