

Regular Traffic Detour (*non-commercial vehicles*)

Front Street Truck Route closure

Starting August 31, the Front Street Truck Route closed for approximately four months for the construction of a retaining wall along Front Street. Front Street and Columbia Street will not be fully closed at the same time.

While this closure is in effect, drivers will be detoured to Columbia Street as shown below. Commercial vehicles will be detoured to designated truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.). **Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times.**

All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

- Road closure
- Regular traffic detour route
