PATTULLO BRIDGE
REPLACEMENT

Overnight northbound lane closures on the stal'əwasəm (Riverview) Bridge

October 1, 2026

Starting Monday, October 5, overnight northbound left lane closures on the stal'əwasəm Bridge will be in effect for approximately two weeks for south approach realignment work. Two southbound lanes and one northbound lane of traffic will be maintained. Access to the multi-use path on the east side of the stal'əwasəm Bridge will be maintained.

After this work is complete:

- A closure of King George Boulevard southbound will be required to complete top lift paving on the new south approach abutment; southbound traffic on the stal'əwasəm Bridge will be detoured to the new Highway 17 off-ramp onto Highway 17 westbound.
- This will be followed by a weekend northbound directional closure of the stal'əwasəm Bridge.

Details will be communicated in future notifications.

What to Expect

Timing

Starting the night of Monday, October 5, for approximately two weeks.

Hours of Work

9 p.m. to 5 a.m.

Traffic

Overnight northbound left lane closures on the stal'əwasəm Bridge. Two southbound lanes and one northbound lane will be maintained. Traffic control personnel will be on site, and signage will be in place.

Impacts/Interruptions

stal'əwasəm Bridge users may experience minor delays. No impact to multi-use paths.

We appreciate your patience. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
