PATTULLO BRIDGE
REPLACEMENT

Northbound weekend closure on the stal'əwasəm (Riverview) Bridge

October 16, 2026

Starting Friday, October 23 at 9 p.m. until Monday, October 26 at 5 a.m., a closure of both northbound lanes on the stal'əwasəm Bridge will be required to complete the final layer of paving works on the new south approach bridge abutment. One southbound lane on the stal'əwasəm Bridge will also be closed.

stal'əwasəm Bridge users travelling northbound are encouraged to take the Port Mann or Alex Fraser bridges. Northbound N19 NightBus trips will be rerouted over the Queensborough and Alex Fraser bridges.

All traffic pattern changes will be well signed, and traffic control personnel will be on site to assist as required. Information will also be communicated via traffic media and posted on [DriveBC.ca](https://drivebc.ca).

What to Expect

Timing

Starting Friday, October 23 at 9 p.m. until Monday, October 26 at 5 a.m.

This work is weather dependent.

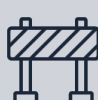

Hours of Work

Construction activities will take place 24 hours a day.

Traffic

Northbound closure on the stal'əwasəm Bridge. One southbound lane also closed. Bridge users can take the Port Mann or Alex Fraser bridges.

Impacts/Interruptions

stal'əwasəm Bridge users may experience longer than normal travel times due to the directional closure.

Nearby residents will hear noise associated with construction activities.

No impact to multi-use paths.

We appreciate your patience while we complete this work. If you have any questions, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
