PATTULLO BRIDGE
REPLACEMENT

Overnight closures of Bridge Road and Old Yale Road intersection for milling and paving

October 22, 2026

Starting Thursday, October 29 for approximately two nights, a closure of Bridge Road and the Old Yale Road intersection area is required for milling and paving activities.

While this closure is in effect, eastbound traffic can take Timberland Drive, Tannery Road, and 120 Street to Bridgeview Drive, 116 Avenue, and Industrial Road or Musqueam Drive. Westbound traffic can take Highway 17 to Tannery Road and Timberland Drive (see graphic below for reference).

**PATTULLO BRIDGE
REPLACEMENT**

Access for emergency responders will not be maintained on Bridge Road and Old Yale Road intersection while this closure is in effect. Detour routes will be clearly marked. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required.

Nearby residents may hear noise associated with paving activities.
