PATTULLO BRIDGE
REPLACEMENT

Temporary closure of multi-use path on east side of stal'əwasəm (Riverview) Bridge

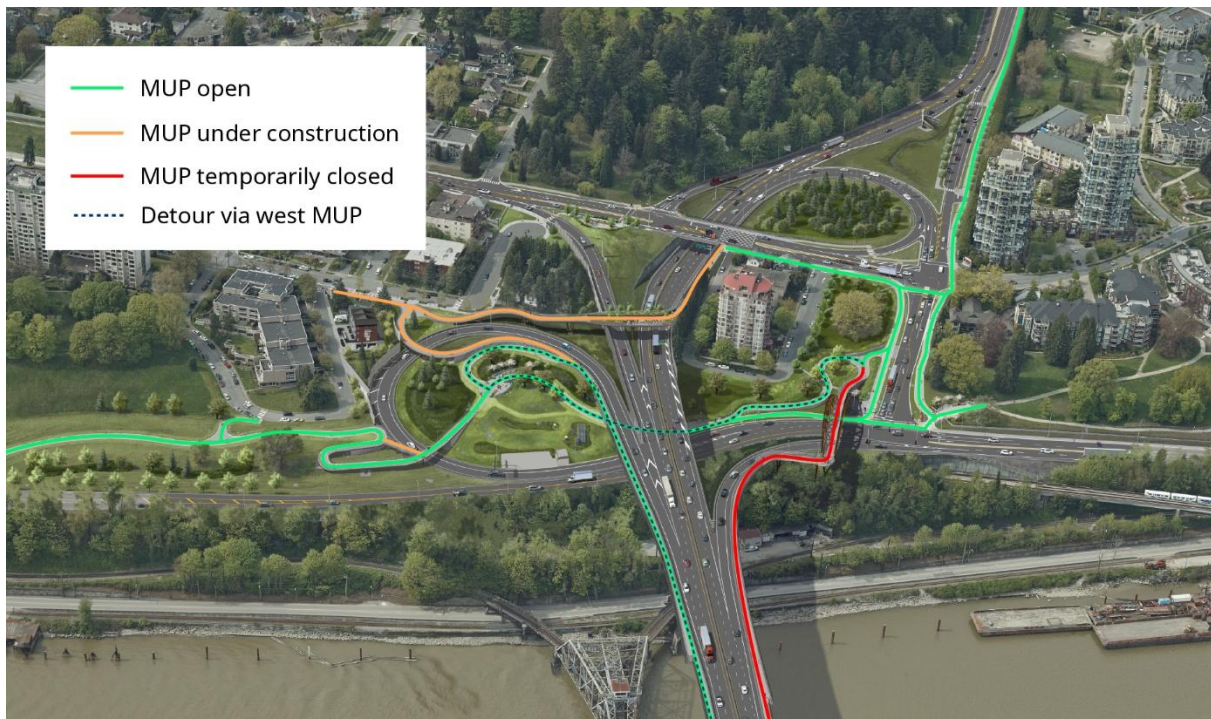

October 26, 2026

Starting on Tuesday, October 27, the multi-use path on the east side of the stal'əwasəm Bridge will be closed for approximately three weeks for crews to complete finishing works on the multi-use path.

Pedestrians, cyclists, and other path users can use the west side multi-use path on the bridge for travel in both directions. Please see maps below for more information.

Please follow posted signage and directions from traffic control personnel where present.

A second closure will be required later this fall and details will be communicated in a future notification.

What to Expect

Timing

Starting on Tuesday, October 27 for approximately three weeks.

Hours of Work

Construction activities will take place 24 hours a day.

Traffic

Pedestrians and cyclists will use the west side multi-use path on the bridge for northbound and southbound travel.

For more information about traffic detours, visit the Project website at [Active Transportation – Pattullo Bridge](#).

Impacts/Interruptions

No access to multi-use path on the east side of bridge including East Columbia multi-use path overpass.

If you have any questions, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
