UPDATE: Overnight closures of Bridge Road and Old Yale Road intersection for milling and paving

October 30, 2026

Due to weather conditions, this week's overnight closures of Bridge Road and the Old Yale Road intersection area are rescheduled to start on Wednesday, November 4, for approximately two nights. These closures are required for milling and paving activities.

While these closures are in effect, eastbound traffic can take Timberland Drive, Tannery Road, and 120 Street to Bridgeview Drive, 116 Avenue, and Industrial Road or Musqueam Drive. Westbound traffic can take Highway 17 to Tannery Road and Timberland Drive (see graphic below for reference).

Access for emergency responders will not be maintained on Bridge Road and Old Yale Road intersection while these closures are in effect. Detour routes will be clearly marked. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required.

Nearby residents may hear noise associated with paving activities.

What to Expect

Timing
Starting Wednesday, November 4 for approximately two nights.

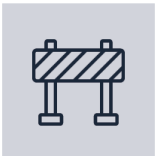

This work is weather dependent.

Hours of Work
7 p.m. to approximately 6 a.m.

Traffic
Eastbound traffic can take Timberland Drive, Tannery Road, and 120 Street to Bridgeview Drive, 116 Avenue, and Industrial Road or Musqueam Drive. Westbound traffic can take Highway 17 to Tannery Road and Timberland Drive while this closure is in effect.

Impacts/Interruptions
Drivers may experience temporary delays resulting from the detour.

Nearby residents may hear noise associated with paving activities.

No impact to multi-use paths.

We appreciate your patience while this work is underway. If you have any questions, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149. For more information about the Project, please visit pattullobridgereplacement.ca.
