UPDATE: Overnight Bridge Connector lane closures and Royal Avenue on-ramp closures for finishing works on multi-use path overpass

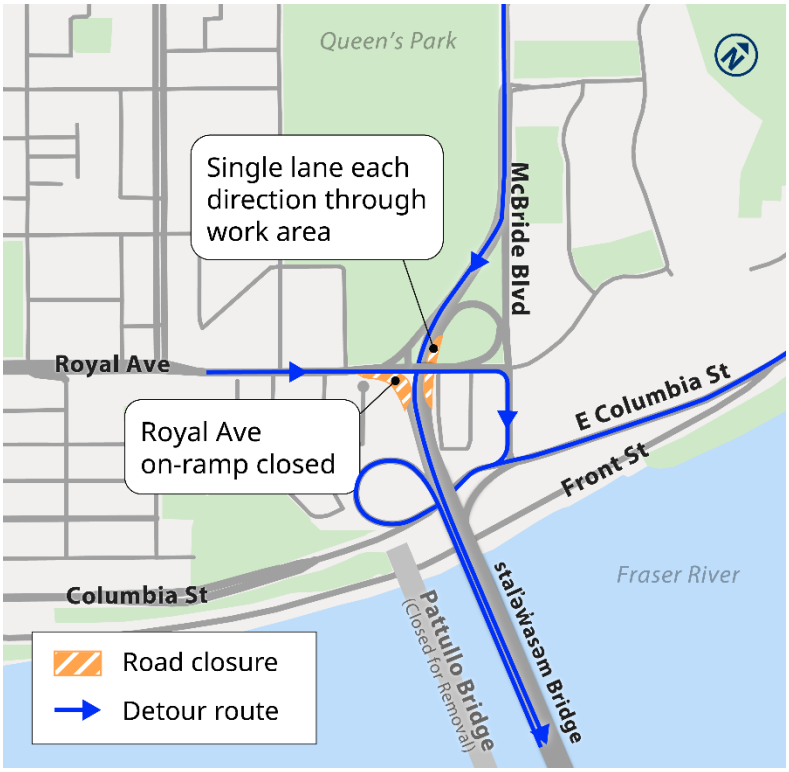

October 30, 2026

Starting the night of Thursday, November 5, crews will be conducting finishing works on the Agnes-Royal multi-use path overpass, including electrical, drainage, and railing installation.

Overnight closures of the Royal Avenue on-ramp will be required starting Thursday, November 5 between 9 p.m. and 5 a.m. for approximately two nights. Drivers using the Royal Avenue on-ramp to the stal'əẇasəm (Riverview) Bridge can continue on Royal Avenue to McBride Boulevard, and then use the Columbia Street on-ramp.

Some overnight single-lane closures on Bridge Connector will be required starting Friday, November 6 between 10 p.m. and 5 a.m. for approximately four nights. One lane in each direction will be maintained.

Access for emergency responders will not be maintained on the Royal Avenue on-ramp but will be available via the McBride Boulevard-Columbia on-ramp detour. Commercial vehicles will be detoured to designated truck routes.

All traffic pattern changes and detour routes will be well signed, and traffic control personnel will be on site to assist when required.

Nearby residents may hear some noise associated with construction activities.
