# Construction of the multi-use path on King George Boulevard between 124 Avenue and Bridgeview Drive

## November 4, 2026

Construction of the multi-use path along the east side of King George Boulevard between 124 Street and Bridgeview Drive is underway. This work will take approximately three months to complete.

Work will occur in phases. While this work is underway, sections of the existing sidewalk will be closed, and pedestrians and cyclist detours will be in place. Access to businesses will be maintained, and detours will be signed.

To accommodate the multi-use pathway, King George Boulevard will be shifted to the final alignment between Bridgeview Drive and 125a Street.

## What to Expect

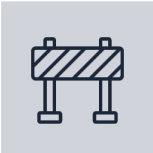

**Timing**
Starting on the week of November 2 and continuing for approximately three months.

**Hours of Work**
General construction activities will occur 24 hours a day, seven days a week.

**Traffic**
King George Boulevard will be shifted to the final alignment between Bridgeview Drive and 125a Street. Traffic control personnel will be on-site to direct traffic, pedestrians, and cyclists as required.

**Impacts/Interruptions**
Pedestrians and cyclist detours will be in place. Nearby residents and businesses may hear intermittent noise from construction activities.

We appreciate your patience while we complete this work. If you have any questions, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
